Introduction

The Haiti Reconstruction Fund (HRF) is a partnership between the international community and the Government of Haiti to help finance post-earthquake reconstruction. The Latin America and Caribbean Region of the World Bank acts as the HRF Secretariat; and the Concessional Finance and Partnerships Vice-Presidency acts as the Trustee for a Financial Intermediary Fund (FIF) in support of the HRF. The HRF mobilizes, coordinates and allocates contributions from bilateral and other donors to finance high-priority projects, programs and budget support. Proponents partner with the Inter-American Development Bank (IDB), the United Nations (UN) or the World Bank (WB and IFC) to ensure that international standards for quality, good governance and financial management are met.

The Trustee provides administrative and financial services to the HRF Steering Committee and donors, by receiving contributions from donors to the FIF, investing liquid assets pending cash transfer, and transferring funds to the HRF Partner Entities. Working closely with the HRF Secretariat, the Trustee also records funding decisions made by the Steering Committee.

The Trustee periodically provides to the Donors and the Steering Committee reports on the financial status of the Trust Fund.¹ The information contained in this report is prepared based on financial information as of December 31, 2012.

¹ The Trustee's financial status reports are publicly available at: www.worldbank.org/fiftrustee
